

Quality Control Inspector (F/T and P/T)

SemiNex Corporation is a small but fast-growing, private, leading manufacturer of high-powered laser modules and optical amplifiers based on indium phosphide and gallium antimonide materials for automotive LiDAR, data communications, medical aesthetics, and industrial sensing applications. SemiNex's high-power semiconductor diode lasers have world-class performance in power and efficiency.

This position is responsible for ensuring that our Product is 100% defect free. At times, you will work as a liaison between Production, Materials Planning, and Manufacturing.

Responsibilities:

- Provide support to the production team members to insure 100% defect free product is shipped and on-time delivery is maintained
- Verify that required C of Cs, packing lists, certificate of origin, international shipping documents, labeling is accurate, and data packages are delivered with Products as required
- Update and maintain accurate transactions on an on-going basis
- Provide secondary assembly and test support if required to meet our daily production schedule
- Ensure proper cleanroom procedures are followed and quality standards are maintained
- Maintain a clean, safe, and organized work area
- Support a positive and fun work environment!

Requirements:

- 3-5 years' experience in a cleanroom manufacturing environment
- Experience as a QC inspector is required
- Knowledge of ISO 9001 is a plus
- Ability to work independently as well as with a small team
- PC skills including Microsoft Excel and Word
- Good communication skills, strong work ethic, positive attitude, and attention to details
- Currently eligible to work in the US (permanent resident)

Physical Requirements:

Good vision and hand-to-eye coordination. This role involves a large volume of visual inspections involving microscopic parts, very small defects, and requires an abundant amount of time working with a microscope. The QC Inspector may work at a single station for prolonged period of times during the workday.

Work Location:

Danvers, MA near I-95 and US Route 1

Company Background:

At SemiNex, our talented people make us successful. We promote an inclusive environment where we value individuality, differences, and unique perspectives. SemiNex is a fast-growing company that will provide ongoing career growth and advancement for all employees along with competitive compensation and benefits.
